

Fight For Freedom product concept

Freedom and democracy should never be taken for granted. One has to struggle for them all the time when doing politics, being engaged in economic activity or fighting on the battlefield. Also, struggle for freedom and democracy happens to be in people's minds. Our focus is on business, innovation and state-of-the-art technology. Our aim is to make this struggle successful by promoting our products and creating a special support fund, which is why our products are called **Fight For Freedom**.

The **Fight For Freedom** products consist of three aerosol sprays giving protection against

A set of three aerosol sprays in one package to use against pain, burns and bacteria

Pain Burn Bacteria
